If you're looking for excitement and adventure on the screen, don't miss "CAPTAIN MARVEL AND THE CURSE OF THE SCORPION." The same familiar Captain Marvel that has thrilled you so much in the comic books comes to life on the screen in twelve smashing episodes, and you can't afford to miss a single one of them!

But maybe this movie serial isn't being shown at your local theatre. If not, just clip out the coupon on this page and send it to us. We'll see if we can arrange, through Republic Pictures, to have the Captain Marvel serial shown at your neighborhood movie house.
